

REVISTA PANAMERICANA DE SALUD PÚBLICA / PAN AMERICAN JOURNAL OF PUBLIC HEALTH

April/May 2015

Vol. 37, Nos. 4/5

NÚMERO ESPECIAL SOBRE SALUD DE LA MUJER EN LAS AMÉRICAS / SPECIAL ISSUE ON WOMEN'S HEALTH IN THE AMERICAS

This special issue of the *Pan American Journal of Public Health* on women's health aims to identify and reflect on the main challenges that demographic, social, and epidemiological changes will pose to women's health in the Region of the Americas in the coming years. The manuscripts address a variety of subjects ranging from the health of women at different stages of life, sexual and reproductive health, gender-based violence, non-communicable chronic diseases, infectious diseases, and mental and occupational health, to adapting quality health services to meet promotion, prevention, treatment, and rehabilitation needs during the different stages of life and in several regional contexts.
