Helping Babies Breathe 2da Edición

El equipo de (HBS) Helping Babies Survive de la Academia Americana de Pediatría (AAP) se complace en anunciar el lanzamiento de la 2da Edición de Helping Babies Breathe, así como el lanzamiento del nuevo sitio web de Helping Babies Survive.

The graphic features a yellow header with the "Helping Babies Breathe 2nd Edition" logo on the left and the title "Helping Babies Breathe 2nd Edition" in large blue text. Below the title, a blue box contains the text: "HBB 2nd Edition features scientific updates, strengthened educational advice, as well as new guidance on program implementation and quality improvement." To the right of this text are two images: a book cover and a flowchart. The book cover shows a family with a baby. The flowchart is a vertical diagram with a green-to-orange gradient background, showing a sequence of steps for infant resuscitation, including "Initial Assessment", "Airway Management", "Breathing Support", and "Circulation Support".

Además, después de duros meses de trabajo, nos complace presentar el nuevo y refrescado sitio web Helping Babies Survive: <http://hbs.aap.org>!

Helping Babies Survive

New Website

**hbs.aap.org features improved navigation,
reorganized dropdown menus & streamlined content!**

*There's a whole host of smaller but
impactful changes, all to provide the
HBS community with easy access to
program resources, tools and
information.*

Explore el sitio y asegúrese de revisar algunas de las nuevas funciones que se destacan a continuación:

- Herramientas de Facilitador
- Noticias y recursos
- Enlaces rápidos
